K-12 INSPO-GUIDE

BUILT TO STAND OUT

TENTS, SIGNAGE, AND DISPLAY IDEAS FOR K–12 SCHOOLS

BUILT FOR GAME DAY + BEYOND

TentCraft

From game day and track meets to STEM competitions, fundraisers, enrollment events, and community gatherings, schools need outdoor setups that can work hard, look the part, and keep up with a packed calendar.

TentCraft designs, prints, and manufactures everything in-house in the USA, including the strongest, most durable custom tents in the industry, along with signage and event displays built for repeated use. This guide brings together real K–12 projects to help you find ideas for showing up with more school spirit, stronger visibility, and a setup **MADE TO LAST.**

THE TENT IS JUST THE START

A great school setup doesn't stop at the canopy. Add walls, windows, flags, counters, signage, and other accessories to create a setup that works harder for your team, program, or event.

MORE WAYS TO SHOW YOUR SCHOOL SPIRIT!

Your school identity doesn't stop at the tent. Media walls, table covers, event flags, custom banners, and signage help carry your colors, mascot, and message across the whole setup.

FLAGS

BUILT FOR MORE THAN ONE SCHOOL YEAR

School gear gets used hard. It gets packed up, hauled to meets and events, set up, taken down, stored, and pulled back out again. TentCraft builds the strongest, most durable custom pop-up tents in the industry to keep up with that kind of schedule.

Designed, printed, and manufactured in-house in the USA, our tents are made for repeated use and backed by long-term warranties.
