

Wooden Crate*SPECS*

TentCraft’s Wood Crates are designed in-house to give your event equipment the protection, organization, and mobility it needs to go from event to event. Built by hand in Northern Michigan, these wooden shipping crates are crafted from high-quality materials and designed to fit your TentCraft gear.

Available in three standard sizes - small, medium, and large - our crates are engineered to fit common event setups like pop-up tents, modular structures, and signage.

With fast turnaround, smart design, and long-lasting durability, our crates are trusted by event pros who can’t afford damage or downtime. From the shop floor to the show floor - we make it better so you can show up ready to make an impact.
